Head Teacher: Mr. D. Malins

Friday 12 February 2021

Dear Parents,

Boris Johnson will be making an announcement on the 22nd February about the government's plans for returning to school. We look forward to hearing what he will say and we hope that we can welcome students back to school in the near future.

For the time being we would like to celebrate the fantastic engagement we have had online which remains on average 96% and above. Well done to all the students for their participation and also for your support. If you have any issues with getting online, please contact the Pastoral Support Manager for your child's year group.

We were very happy to have had some great GCSE results this week in Spanish and Italian with the top levels achieved. The students took the exams in November. Well done to all of them!

Covid safety - if your child has been attending school, and you find that they have Covid during the half term holiday, please email covidreport@laretraite.lambeth.sch.uk This is important as we will have to do contact tracing and inform other students and staff so that they can isolate and stop the spread of the virus. If they or anyone in your household have even mild symptoms after half term, please do not send them back to school.

We wish you all a safe and restful half term.

Kind regards,

Mrs Thompson

Deputy Headteacher
