## RE: EXAM RESULTS 2020

Dear Year 13,

We are very sorry we were unable to say goodbye to you properly on Friday. Hopefully we will be able to celebrate together when you receive your results in July.

We are very proud of you and all the hard work you have done over the last 2 years in the sixth form. I am sure you will have seen the government advice on how you will be awarded your grades.

<https://www.gov.uk/government/news/further-details-on-exams-and-grades-announced>

In summary your grade will be calculated using;

1. Estimated grade provided by your teacher.
2. Prior data such as your GCSE point score.
3. Coursework grades.

The exam boards have indicated that they will be releasing these grades in July.

If you are unhappy with the grade you receive in July, the government have said there will be an opportunity to complete a mini assessment at the beginning of the autumn term. If you think this may apply to you, then I recommend you continue to complete past papers and send them to your teachers for feedback.

My advice to you is to complete any outstanding coursework or mock exams and send to your teachers for assessment.

**Rest assured the teachers are giving you the best estimated grades possible based on the work you have produced over the last two years.**

Please continue to produce the evidence for your ASDAN COPE folder and send to your form tutors for assessment. ASDAN COPE is a skills based qualification which employers favour and it is worth 16 UCAS points.

Keep up to date with information via the UCAS website or school website. Most importantly keep safe and look after yourself. I hope to see you all again soon to celebrate your great achievements.

Yours faithfully,

**Mrs Coyle**
