Head Teacher: Mr. D. Malins

27th April 2020

Dear Parent/Guardian,

Thank you very much for your hard work. We have been very pleased to note that the students are continuing to engage with the online work set by the staff. We understand that working online is not easy and can be frustrating and we don't expect the students to get it 100% perfect. As long as they can attempt the work, we will be pleased. We are all learning as we go along, so please let us know if there is any way we can improve the work.

Please remember that the school is open for the students of Keyworkers and those in vulnerable circumstances. If you are in this category and would like your child to come into school, please contact reception. At the moment we have no clear news about school opening for all other students. As soon as we know anything, we will let you know.

Recently there have been a number of families of staff and students who have experienced some bereavement and trauma. Please think of them and say a little prayer for them. We have all been very touched by the kind words of support and care from parents and the offers of help. These little acts of kindness are very important and have gone a long way to helping us stay positive.

Do please let us know if there is any way we can help, or if you would just like to speak to someone. I have attached a link to simple uplifting video - <https://www.youtube.com/watch?v=8lf42qXAVjw> - we shared with staff and ask that you play it and think of something you can do to help another person.

We are all very much looking forward to seeing you all again.

Take care,

Dominic Malins, Headteacher

Faith, Values, Excellence
